Dear Friend,

The East Aurora Police Department Quaker Club, Inc., is a nonprofit organization made up of patrolmen, detectives and lieutenants of the East Aurora Police Department, dedicated to serving and protecting the residents and businesses in the town.

This year we are initiating a direct mail fund drive. Through the generosity of our donors, we provide for the health and welfare of our members, as well as, financially support many area charities and local community groups.

In recent years, our organization has contributed to Fish of East Aurora, Rural Outreach Center, WNY Cop Help Line, East Aurora Educational Foundation, Badge of Honor Assoc., Boy's and Girl's Club of East Aurora, Aurora Recreation Department, Roswell Park Comprehensive Cancer Center, Neurofibromatosis type 2 (NF2) Foundation, youth sports teams and numerous local fundraisers held within our community.

Supporting the youth of East Aurora and encouraging all students to attend college is very important to the members of the police Quaker Club. Every year the Police Quaker Club has partnered with West Herr Automotive Group to provide two scholarships. Our scholarships help provide local students financial support and an opportunity for a better future.

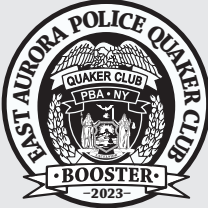

Your donations allow us to help those in need and make a difference here in Western New York. Also, please know, *your contribution stays right here in our community.*

We appreciate your continued support for the men and women of The East Aurora Police Department Quaker Club, Inc..

*Thank you for partnering with us!*

Sincerely,

Richard L. Gottstine, President
